

Location:

The conference and exhibition will be in the Maison du Savoir on Campus Belval at 1st floor. The exhibition area is integrated into the coffee & lunch break area (see floor plan) and is located in the transit area close to lecture halls and poster session areas to foster the contact and exchange with conference attendees.

There are 23 booths (6m², width 3m and depth 2m) with power outlet (220V), one table and two chairs supplied. It is possible to combine maximum two booths.

Exhibition hours:

Start Tuesday 30th, 10AM
 Finish Thursday 1st, 4PM

Exhibitor Session:

There will be a dedicated session to give exhibitors the opportunity presenting their technology and latest developments. Each contribution is limited to 15min. Please send your abstract to bernd.uder@uni.lu

Booth installation is possible starting Monday afternoon until Tuesday morning before 10 AM. The welcome reception is on the evening of Monday 29th at the conference site. The conference dinner is scheduled for Wednesday 31st.
